DEDICATION

To our first graduating class – They have established a growing tradition which will be followed and enlarged upon in the years to come. To them we dedicate this yearbook.

May these young men and women dedicate themselves to the new era before them.

AMEN.

ADMINISTRATIVE STAFF

FROM THE PRINCIPAL

As I write this we have a full year to go. We have many plans for the future—a venture into varsity athletics, dances, activities and our first graduation.

When you read this, I hope that all of these activities will have been successful and each of you are happy with all that has been done.

Especially hopeful, on my part, is that this yearbook proves to be an excellent volume you will always keep and enjoy; and, as a footnote, with the work the staff is putting in now, I am certain it will be a treasure to each student.
